

BOARD OF EDUCATION OFFICE  
FULTON CITY SCHOOL DISTRICT  
FULTON EDUCATION CENTER  
167 SOUTH FOURTH STREET  
FULTON, NEW YORK 13069 · 1859

June 5, 2007

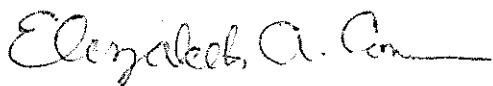

Dear Parent/Guardian:

In a letter from my office dated February 1<sup>st</sup> you were notified that the G. Ray Bodley High School was designated a School in Need of Improvement (SINI) – Year 2. Title I schools in need of improvement year 2 are required to offer students from low income families extra help outside of school hours. This help is called Supplemental Educational Services (SES). It is meant to help students with reading, English Language Arts, and mathematics. The school district must continue to provide these services until the school is no longer designated in need of improvement. Supplemental educational services take place outside of school hours and in many different locations. These services are free to eligible students. The services may include tutoring, either one-on-one or in small groups. The New York State Education Department approves the qualifications of SES providers. Parents, not schools, must arrange transportation.

You have an important role in selecting the SES provider for your child. Schools will not make this choice for students. You are invited to the G. Ray Bodley cafeteria on Monday, June 11<sup>th</sup> at 6:30 p.m. to meet the Fulton City School District's SES providers. They will be on hand to answer questions with regard to times and locations for SES services. They will also talk about how your student's academic progress will be monitored. This program will be available to all students entering grades 9-12 who qualify for Title I services. Enclosed is information from two of our SES providers. Also enclosed is a registration form that can be turned in on Monday night, June 11<sup>th</sup> or returned to my office on or before June 22<sup>nd</sup>.

Should you have any questions in regard to this letter please feel free to contact my office at 593-5509.

Sincerely,

Elizabeth A. Conners  
Executive Director of Instruction & Assessment
